

# Enjoy A Beautiful, Green, Weed-Free Lawn This Summer!

## Lawn Care At Super Savings!

**SATISFACTION COMPLETELY GUARANTEED**

### NATURESCAPE®

#### 5 APPLICATION LAWN PROGRAM

- 1) **SPRING APPLICATION** (March/April) Consists of a seasonal fertilizer, pre-emergent crabgrass control and broadleaf weed control.
- 2) **LATE SPRING APPLICATION** (May/June) Consists of a seasonal fertilizer and broadleaf weed control.
- 3) **SUMMER APPLICATION** (July/August) Consists of an application of slow release nitrogen, and if weeds are present at the time of application, a spot application of broadleaf weed control as needed. Insect control will be applied as needed.
- 4) **LATE SUMMER APPLICATION** (August/September) Consists of a seasonal fertilizer and broadleaf weed control. Insect control will be applied as needed.
- 5) **FALL APPLICATION** (October/November) Consists of a seasonal fertilizer that is designed to help develop your root system for the winter and give your lawn a faster green up in the spring.

**FREE SERVICE CALLS** (Throughout the season) If you ever have any concerns about your lawn we will take care of them **free of charge within 72 hours.**
