"I saw an ad in the newspaper for Readings by Monica and I called to make an appointment. I was so glad I did! Before I did, I was not doing well. She helped me and told me things to do to make things better in my life. She helped me with my relationship that I was having problems in, she provided me with the information that I needed to know. I am much better now. I am married now and I have two great kids."

All thanks to Monica.

"Hi, I am Amy Hill. I had a reading at Readings by Monica. I was driving by and I saw the place, walked in, and had a reading. I was amazed with the reading; she knew things about me that no one knew. She answered all my questions and gave me advice on matters that I needed to know. She put me on a path to happiness and prosperity. I am so thankful!!"

Thank you, Monica.
